3. *Open Lines.*—The mileage of open lines owned by the State and the District Boards was the same as last year, viz., 757'75, of which 9'88 miles comprise the broad gauge line of the Kolar Gold Fields Railway Branch, which is worked by the Madras & Southern Mahratta Railway. The interests of the Kolar District Board in the Kolar-Chickballapur Light Railway were purchased by Government from 8th November 1946, the premium paid on the District Board's share of the capital being Rs. 2'86 lakhs.

The gross earnings of all the State lines were Rs. 199'41 (180'40) lakhs, being the highest on record. The surplus profit and guaranteed interest amounted to Rs. 1'00 (1'52) lakh and the net revenue to Government to Rs. 59'60 (54'42) lakhs.

There was an increase of Rs. 19'01 lakhs and Rs. 5'18 lakhs in gross and net revenues respectively, resulting in an increase from 7'64 per cent to 8'26 per cent in the percentage of return on capital during the year, exclusive of interest charges.
